Introducing Life is Music, Music is Life's newest initiative - "Songs for \$upport". As many of you know, LIMMIL's mission is to assist students who have a passion for music and don't have the financial resources to afford lessons. Through our scholarship program we have provided the opportunity to study privately to some very talented young musicians. COVID-19 forced us to postpone our Spring Gala - our main fundraiser - to next year which necessitated our "modulating" to new creative avenues to raise our scholarship funds. Please enjoy "Songs for \$upport" - various musicians (young students to seasoned professionals) performing short segments of music from all genres. Thank you
